CLINICAL EXPERIENCE

REDEFINE Psychological Services

Forensic Evaluator

July 2026 - Present

Conduct various clinical and forensic psychological evaluations, including but not limited to psychodiagnostic assessments (personality, psychosis, mood, intellectual functioning/neurocognitive functioning, and academic achievement), competence to stand trial, mental condition, sanity at the time of the offense, risk formulations and assessments, and other criminal forensic assessments. I am also available for both trial and general consultation.

Colorado Mental Health Hospital – Fort Logan

November 2024 – June 2026

Licensed Forensic Psychologist II (Supervisor)

Supervisor: Diana Luckman, PhD

Directly oversaw and supervised the Forensic Psychologist I's and their student trainees; provided weekly forensic-focused didactic trainings; attended legislative and judicial round table sessions to collaborate with various other stakeholders regarding the Consent Decree and forensic services provided by the state of Colorado; further developed and enhanced programming throughout the forensic units at the hospital; assisted in opening a third forensic unit (in the near future); developed and maintained a predoctoral internship forensic psychology training program; and monitored ongoing and emerging trends with regard to statutory changes, legislative movements, and nationwide efforts as they relate to the practice, implementation, and regulation of forensic mental health services throughout Colorado.

Colorado Department of Human Services – Court Services

April 2023 – June 2026

Forensic Evaluator

Supervisor: Katherine Reis, PsyD

Completed competency to proceed, sanity, and conditional release evaluations; attended department meetings and trainings, including continuing education (CE) opportunities; provided expert testimony.

Colorado Mental Health Hospital – Fort Logan

August 2022 – November 2024

Licensed Forensic Psychologist I

Supervisor: Diana Luckman, PhD

Provided forensic training to hospital faculty; conducted forensic assessments and psychodiagnostic assessments; assisted in the treatment planning for patients; implemented interventions; provided supervision and consultation to students and other disciplines; assisted in the creation and opening of the first two forensic units at the hospital; developed and implemented programming for the forensic units; networked and met with community stakeholders in an effort to more effectively address the Consent Decree.

Colorado Mental Health Hospital – Pueblo

August 2021 – August 2022

Postdoctoral Forensic Psychology Fellow

Supervisor: B. Thomas Gray, PhD, ABPP

Conducted forensic evaluations for the state, including competency to proceed, restoration, sanity, mental condition, law enforcement, and conditional release risk; attended monthly department and testimony meetings; provided expert testimony; and attended weekly seminars and didactic trainings.

Colorado Mental Health Hospital – Fort Logan

July 2020 – July 2021

Pre-doctoral Psychology Intern

Supervisor: Diana Luckman, PhD

Provided individual and group therapy to individuals with severe mental illness; conducted neuropsychological and psychodiagnostic assessments, wrote integrated reports, and incorporated findings into treatment planning; attended seminars and didactic trainings; provided supervision to graduate externs; participated in daily rounds and treatment planning meetings on a multidisciplinary team; attended weekly seminars provided through the University of Denver Graduate School of Professional Psychology; attended Court Services meetings; conducted competency to stand trial evaluations; and learned Colorado Statutes, forensic evaluator best practices, and case law.

Worcester Recovery Center and Hospital – Adolescent Continuing Care Unit

July 2019 – April 2020

Advanced Practicum Student

Supervisor: Brian Denietolis, Psy.D.

Provided individual, group, and family therapy to adolescents who have not been successfully treated in other hospital or residential settings; conducted intakes and risk assessments in areas of suicide, violence, problematic sexual behaviors, and fire-setting behaviors; conducted comprehensive assessments, wrote integrated reports, and incorporated findings into treatment planning; participated in daily rounds, weekly case conferences, and treatment planning meetings on a multidisciplinary team.

Riverside Emergency Services

July 2018 – May 2020

Emergency Services Clinician

Supervisor: Chris Lauzon, LICSW

Conducted full psychological evaluations to patients in psychiatric; conducted mental status updates, consulted with collaterals, determined a disposition and diagnoses for each patient; wrote evaluations, obtained insurance authorizations, conducted follow-ups and check-ins, and made referrals.

Boston Forensic Associates

September 2018 – June 2019

Clinician

Supervisor: Robert Mendoza, Psy.D.

Assisted in literature reviews on topics associated with specific forensic case referrals, reviewed medical records, met with client attorneys, attended trial in federal court, and administered neuropsychological evaluations for patients diagnosed with Multiple Sclerosis.

Dr. Solomon Carter Fuller Mental Health Center

June 2018 – June 2019

Advanced Practicum Student

Supervisor: Robert Mendoza, Psy.D.

Attended multidisciplinary treatment team meetings, assisted with treatment planning, conducted comprehensive neuropsychological and psychodiagnostic assessments, wrote integrated reports, facilitated group therapy, conducted individual therapy, attended seminars and didactics, interviewed patients, attended commitment hearings, and conducted intakes.

Riverside Emergency Services

September 2017 – May 2018

Practicum Student

Supervisor: Chris Lauzon, LCSW

Assisted clinicians conduct psychological evaluations to patients in psychiatric crisis; consulted with collaterals; helped to determine a disposition and diagnosis for each patient; wrote evaluations; conducted follow-ups and check-ins, conducted bed searches, and made referrals.

Riverside Community Crisis Stabilization

September 2017 – May 2018

Practicum Student

Supervisor: Victoria Pasche, LCSW

Provided individuals with persistent and chronic mental illnesses referred either as a step-down from inpatient or from the community with individual and group therapy; engaged in milieu activities and socialization; created treatment and discharge plans; consulted with collaterals.
